

# **HUTTON PARK RESIDENTIAL HOME**

## **STATEMENT OF FUNCTIONS, AIMS & OBJECTIVES**

**Each person has basic rights and responsibilities both as a citizen and as an individual. All service users in Hutton Park Residential Home have a right to:-**

### **RESPECT**

Treatment with dignity at all times.  
Acknowledgement and acceptance of your cultural background, religious beliefs and physical, sexual and emotional needs.

### **INDEPENDENCE**

Space to be yourself and to look after yourself with help as needed.  
A social life outside your home and with people you invite to visit you.  
Access to medical, social, leisure and other services in the local community.

### **CHOICE**

Freedom to make decisions, so long as they do not infringe the rights of others.  
The opportunity to take reasonable risks.

### **INVOLVEMENT**

Involvement in changes which will affect you.  
A chance to comment and be listened to.  
Information on what is in your records and who it will be shared with.

### **PRIVACY**

Confidentiality of medical and personal information.  
Your own private space.  
Non-interference in your business and personal dealings for as long as you can manage them yourself.

### **REPRESENTATION**

A service user's group to express your views.  
Access to the comments and complaints procedure.  
The services of an independent advocate.
